Dear Sir/Ma'am,

Further to our communication dated 9th day of August, 2024, wherein we had informed the approval of capex of approximately ₹740 Crores towards setting up of Greenfield Unit at Kathua, Jammu to manufacture Recycle PET Chips and Recycled Filament Yarn, we wish to inform you that the Board of Directors has decided to drop the said project in view of the non-viability due to given economic and geo political situation. In view of the above the Board does not foresee the incentive/subsidies and other relevant approval(s) in near future. Accordingly the Board has approved to surrender the land allotted to the Company for the said project.

The approval of Board was taken through Resolution by Circulation and the same was received at 05:01 P.M.

This above information is also made available on the website of the Company www.rswm.in

Kindly take the same on records.

Thanking you,

Yours faithfully,
